THE 1962 KEY

FOREWORD

To you, the *PIONEER* students of Clearview Regional High School, our tribute. To you has befallen the privilege and the responsibility of establishing traditions and patterns of life at our school for generations yet unborn.

Within these walls you are becoming living monuments to men's dreams, envisioned into years of planning and of sacrifices; testimony to a fulfillment of a citizenry's struggle that our communities of Harrison Township and of Mantua Township might prove themselves worthy of their educational trust. Here is provided an environment in which you have the opportunity of developing your highest capacities and of crystalizing your basic belief in democracy and in the importance of the individual. With this integrity of purpose was Clearview Regional High School conceived and dedicated. for you. our youth.

This now is yours for the taking—may you each meet the challenge of this opportunity. Together, may we of the Clearview staff join with you, our students, your parents, and our community friends in looking ahead. . . in pioneering an era in education dedicated to freedom in a world community besieged by threatening isms.

The task is ours. In God is our trust.

L. Ward Broomall, Superintendent
Clearview Regional High School District
Mullica Hill, New Jersey

Mr. Culbert

Mr. Evangelista

Mrs. Douglas

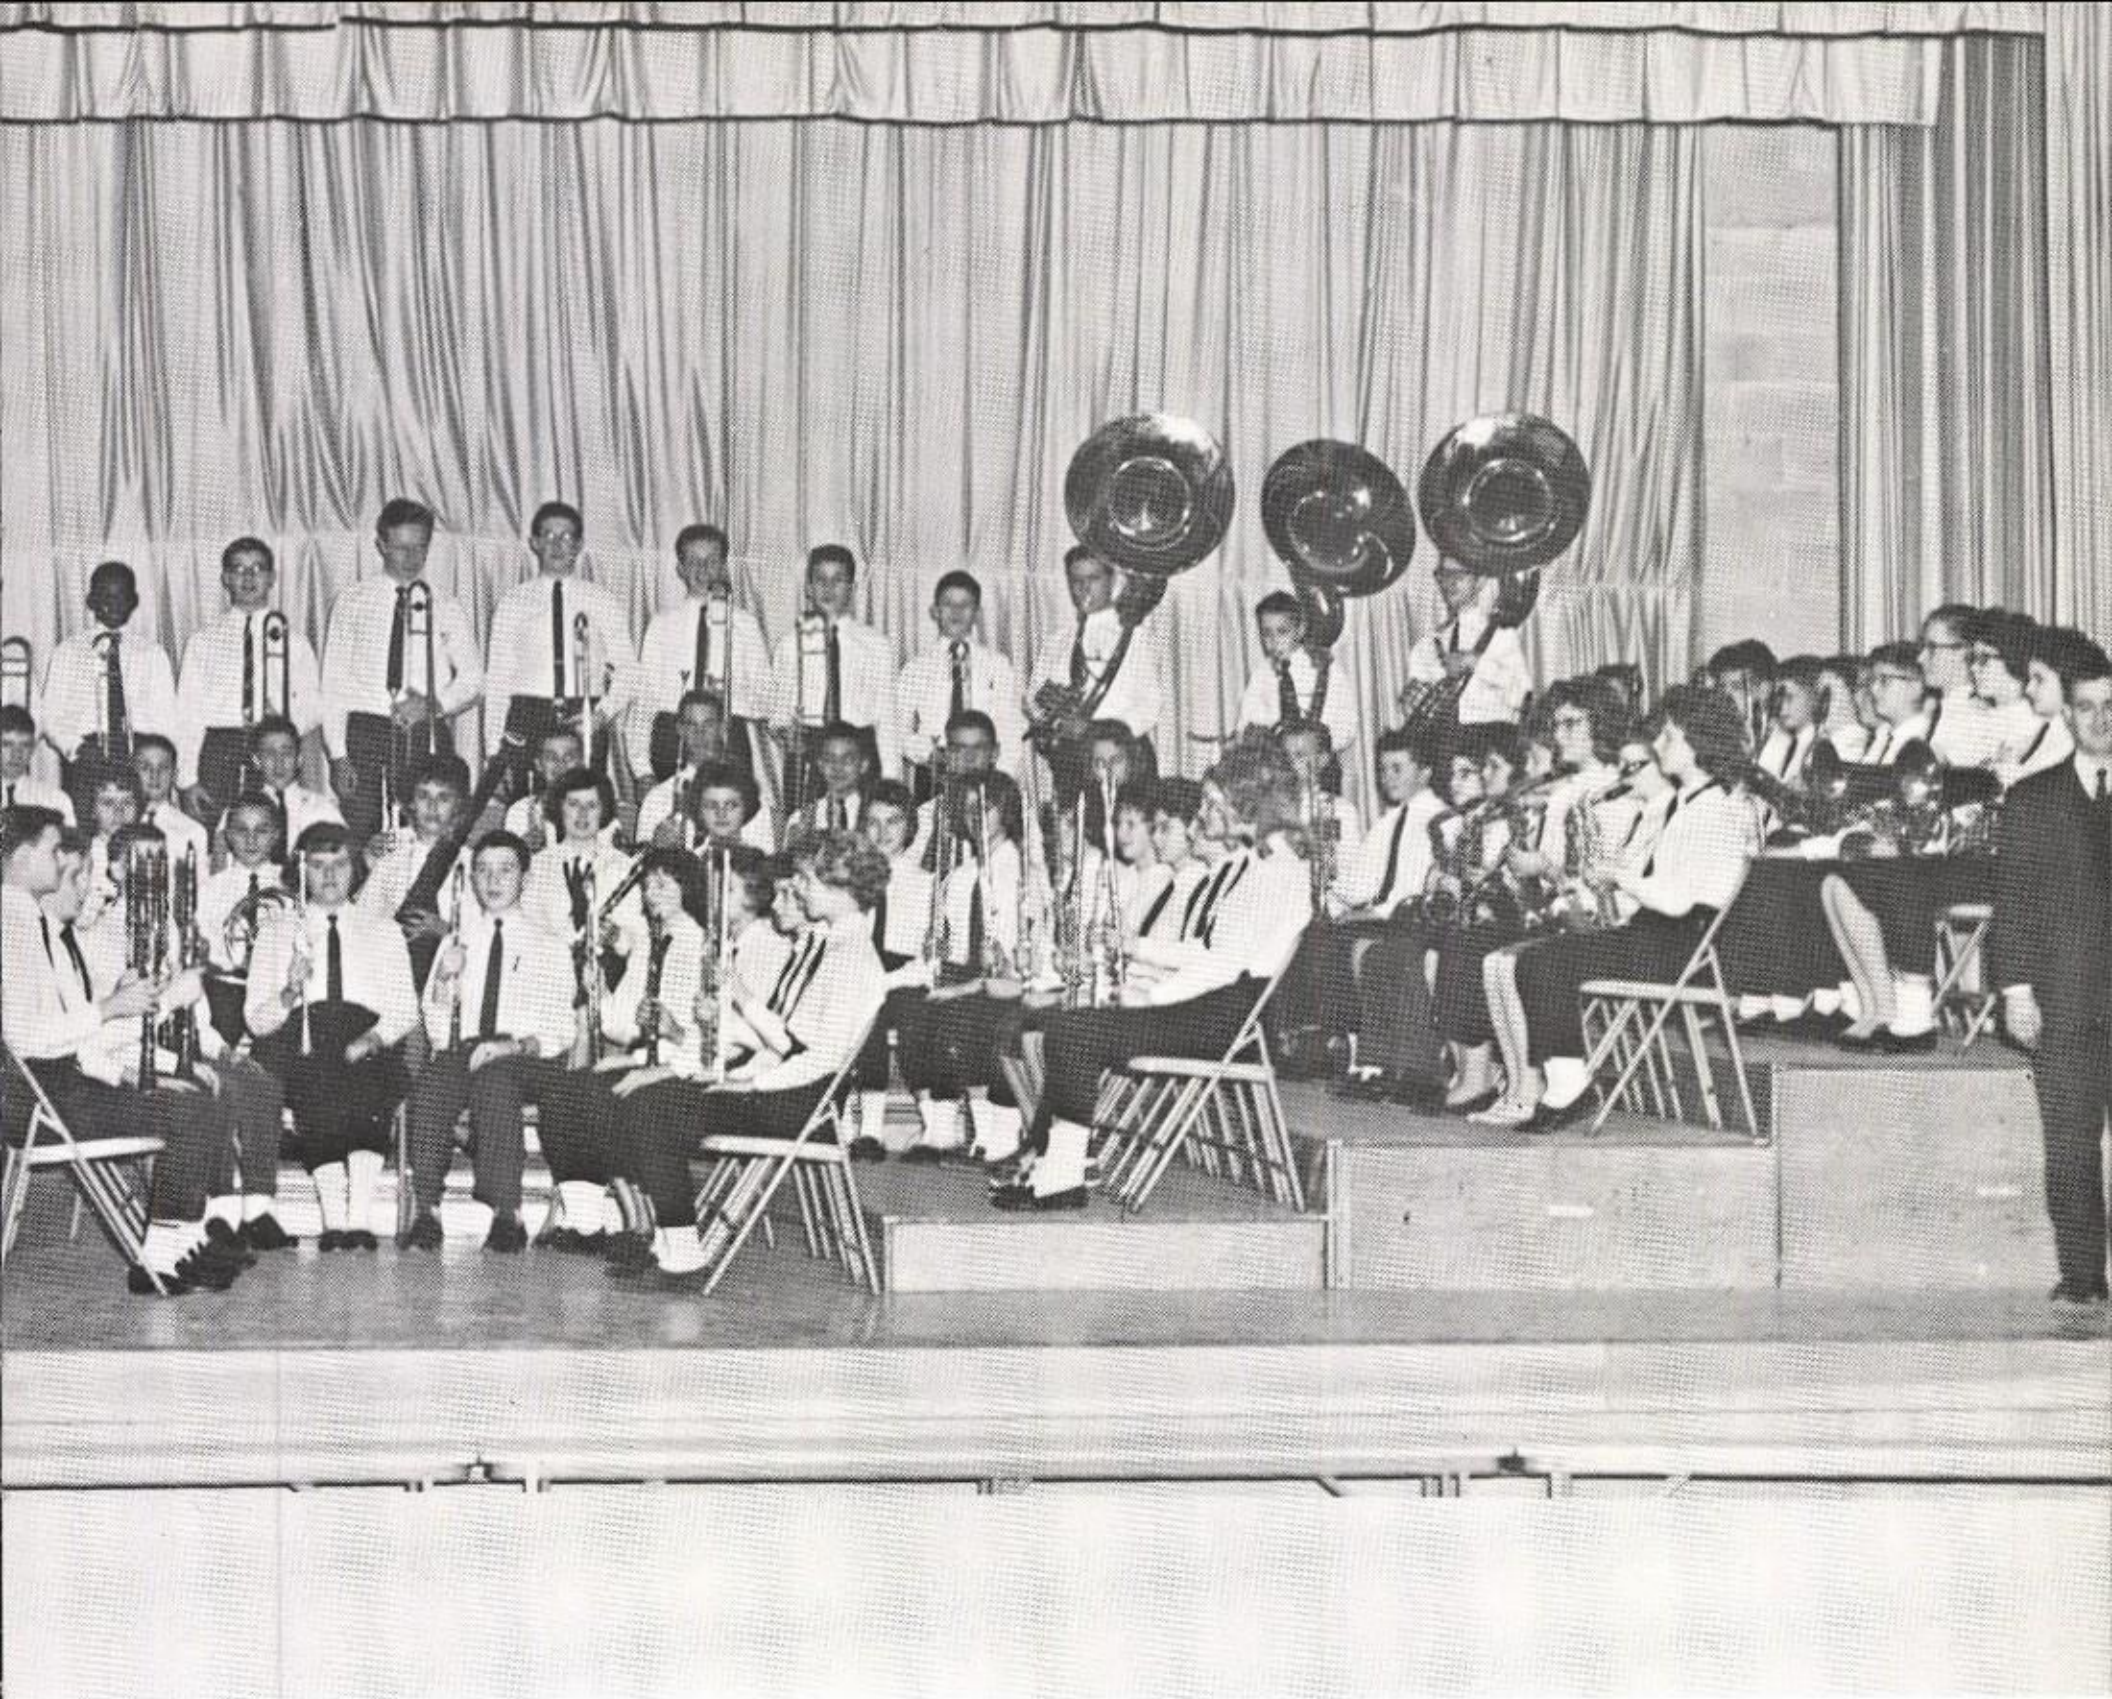

The instrumental music department, instructed by Mr. M. Culbert, is striving to teach the music student the basics of musicianship and harmonics. This is being accomplished by means of individual instruction and group participation, which provides an interesting way to learn and progress.

The band has had many and varied activities this year. Outstanding among these is the band's participation at football games, where each week the band produced a colorful and interesting routine. The band's season was brought to a fitting close with a fine spring concert.

The vocal music department directed by Mrs. F. Douglas and Mr. V. Evangelista, is endeavoring to instruct the chorus members in voice training and basic ensemble work. The repertoire of the choirs varies from the religious Negro spirituals to the melodious works of modern day composers.

The various choruses and choirs in this department have performed for the enjoyment of the student body as well as the interested public a number of most entertaining concerts. This has been a very successful year for the choruses and we hope the group continues to flourish.

The Junior Yearbook Club, under the direction of Mrs. Lydie Wells, aided the Yearbook Staff by making posters, selling cookies and taking subscriptions for the yearbook.

The object of this club is to teach boys the fundamental art of cooking and plan further advancement in the arts of a chef. Miss Stoffels, the instructor, teaches the boys how to cook pizza pies, coffee cake, cookies, and other delicious foods. They not only cook their food, but they get to taste the results.

FOOTBALL

Clearview finished its initial varsity football season without a Senior class. Although the team was beaten soundly, they can chalk the year up as experience with all but two lettermen coming back next year.

In the final contest of the season, the Thanksgiving game against Sterling, the Pioneers led part way through the game. This was perhaps the best played game of the season; thus pointing out that the boys were improving and will be a real tough opponent next year.

At the end of the season, Frank Armstrong, Bill Fowler, Pat Gallagher, and Art Jackson were given honorable mention in the Olympic Conference.

BASKETBALL

This year marked the beginning of Varsity basketball at Clearview. It has been a little rough going for them but the team has worked hard and shows a very good chance for next year with the help of some of the Sophomores who have shown that they are in there fighting for many of the Varsity positions.

A lot of work has been done by the three coaches, Mr. Stetson (varsity), Mr. Kollmeier (J.V.), and Mr. Kapczynski (freshmen). These three men have spent a lot of time trying to bring Clearview its first successful basketball team.

Clearview, who is a member of the Olympic Conference, can be proud of its basketball team for playing real good basketball against the top teams in the Conference. At the printing of this article, the freshmen had won a few games and Mr. Kollmeier's squad was just barely edged out; so there is a good prospect for the future. The team has been handicapped by the lack of height and experience. Next year we will have the experience and can look forward to a successful season from our basketball team.

This year Clearview Regional High School, introduced to the Olympic Conference, it's first varsity wrestling squad.

Coach William Sarkas and his staff have transformed an inexperienced group of Sophomores and Juniors into the nucleus of a well-rounded wrestling squad. Though the team was unable to win any matches this year, the valuable experience gained sets the squad up for many successful seasons to come.

The boys themselves deserve credit for the

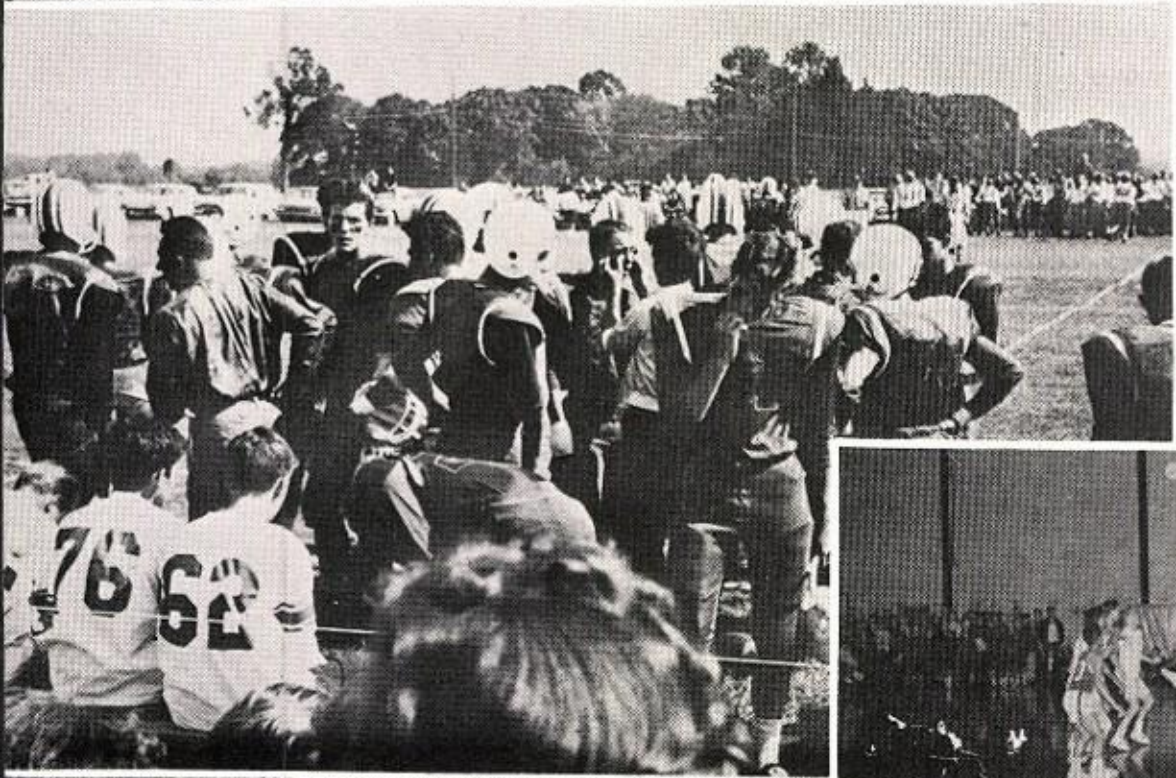

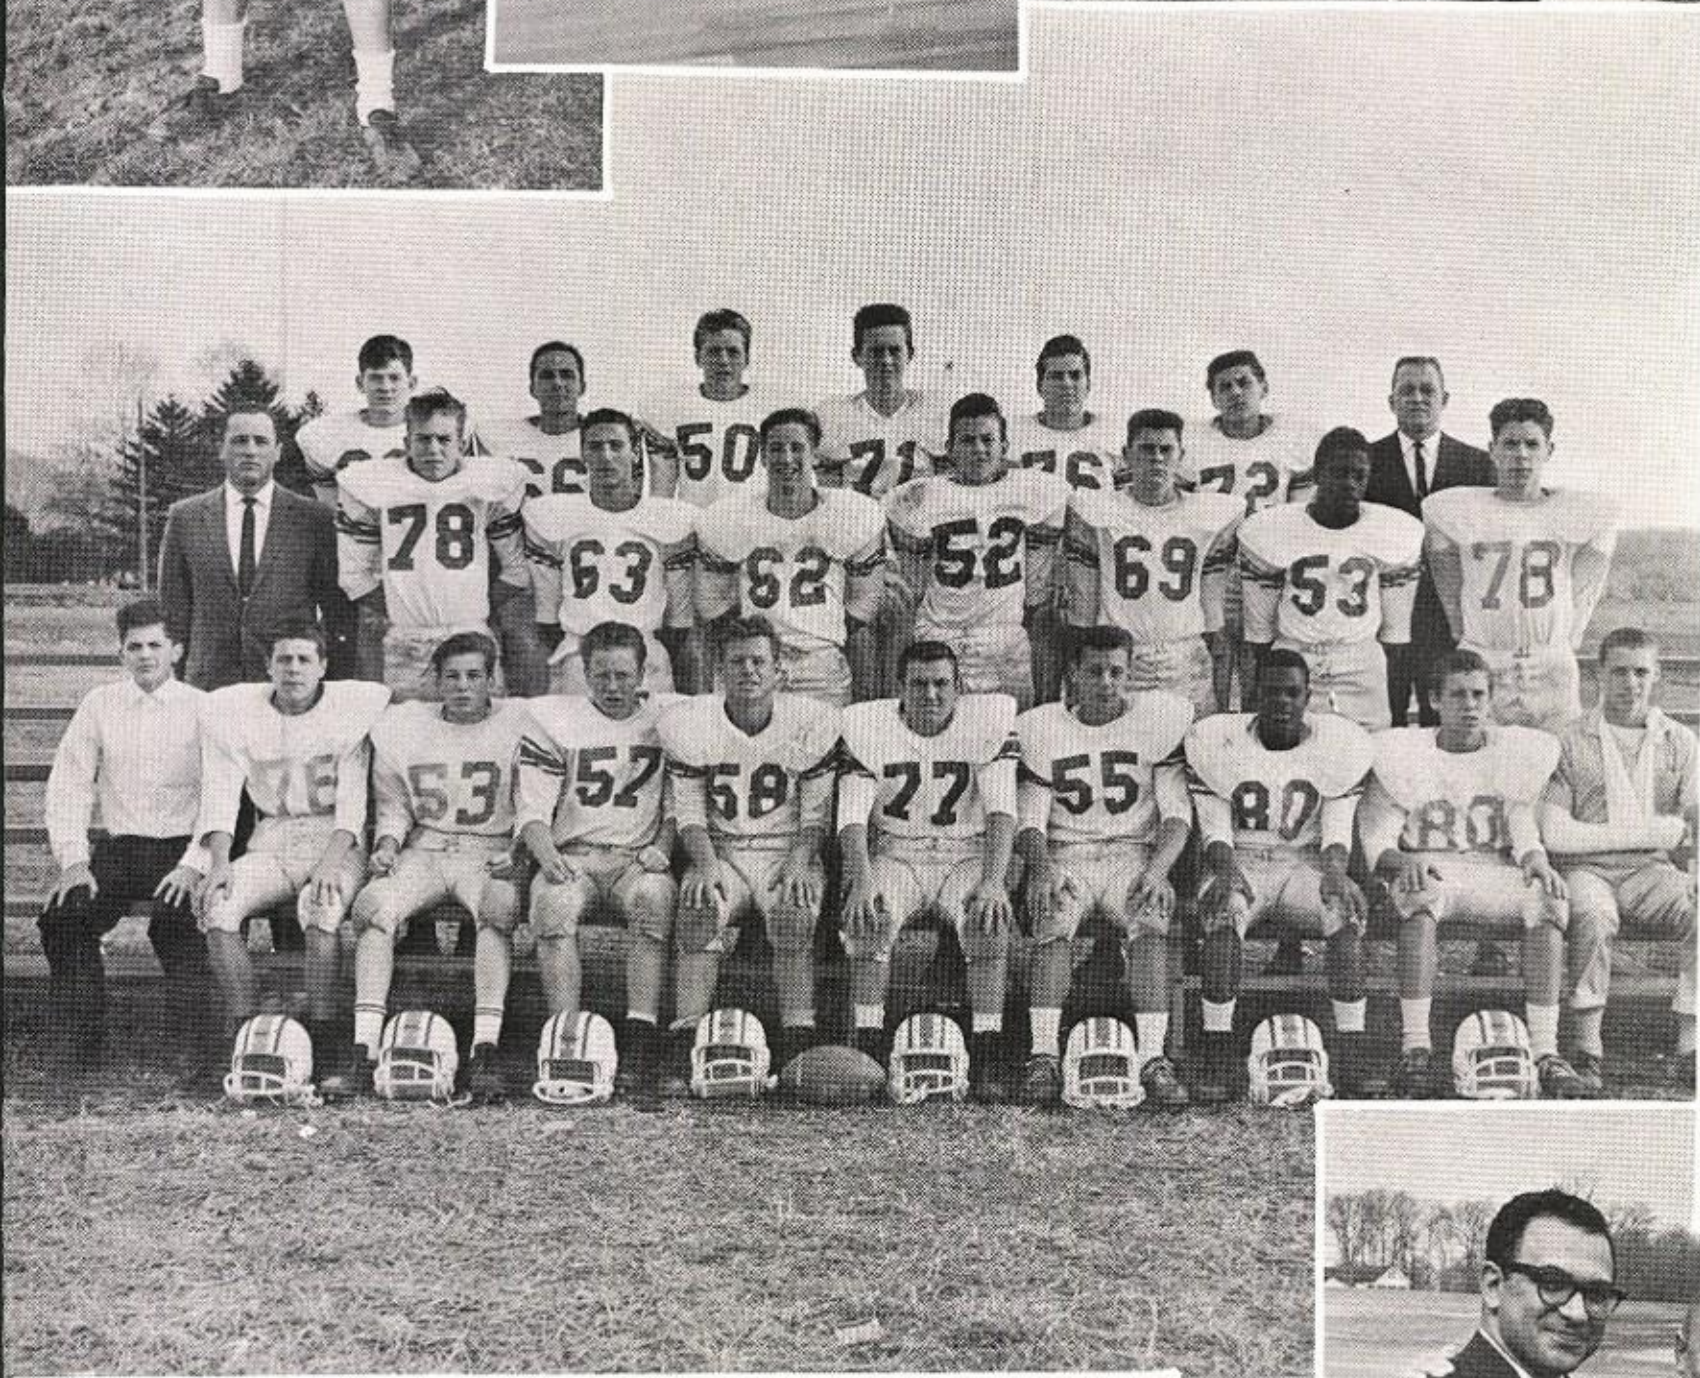

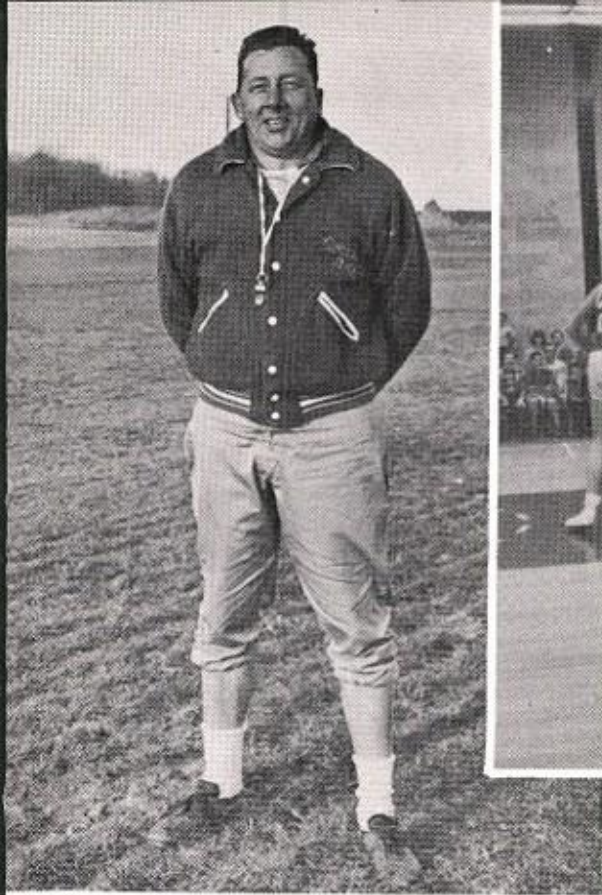

courage and steadfastness with which they faced the seasoned wrestling squads of Williamstown, Glassboro, Edgewood Regional, Triton Regional, Pennsville, Atlantic City, and Overbrook Regional High Schools.

The squad was indeed fortunate to be efficiently coached by Mr. Sarkas, Mr. Kolchin, and Mr. Yaeger. Through the constant efforts of these coaches the team has learned the basic fundamentals of "catch as catch can" wrestling and, most important, the value of clean sportsmanship.
